

DIGITAL DENTURE TRAINING

What do we offer?

At St. Albert Denture clinic we are offering premium 3Shape digital training for Denturist's who are new to digital. We offer a 30 minute introduction meeting at no charge to discuss your digital training needs and expected outcomes for the training. We are here to help transition you from analogue to digital with ease and simplicity.

What's included?

- 2 full days (16 hours), of digital training
 - 2 hours of post training support
- Pre-screening checks via Team Viewer to ensure all the software and equipment have been installed without issues
- Digital step by step manual(optional)
